Mississauga Foundation Grant Recipients

Celebrating philanthropy in our community

Saying thank you can help build a more vital community! Grants to our community organizations are made possible through the generosity of our donors and fund holders. When you publicly recognize a grant from the Foundation, you are helping to show appreciation for these remarkable acts of caring. In turn, this helps the Foundation foster community philanthropy, creating even more support for important initiatives like yours.

How the Foundation Acknowledges Grants:

The Foundation publicizes grants through the Annual Report, media releases, web site, social media and newsletter. We may ask your organization to participate in a feature story about your grant at work.
