Sustainable Development Goals

The Sustainable Development Goals (SDGs) are a universal set of 17 interconnected goals established by the United Nations to address global challenges and promote a better and more sustainable future for all. Their purpose is to provide a comprehensive framework for countries, organizations, and communities to work together on key issues. Collectively, the SDGs aim to balance economic growth, social inclusion, and environmental protection by fostering collaboration and encouraging actions that ensure the well-being of both current and future generations.

Throughout the report, each slide includes corresponding Sustainable Development Goals that the information addresses.

End poverty in all its forms everywhere.

End hunger, achieve food security, and promote sustainable agriculture.

Ensure healthy lives and promote wellbeing for all ages.

Ensure equitable quality education and promote lifelong learning.

Achieve gender equality and empower women and girls.

Ensure availability and sustainable management of water and sanitation.

Ensure access to affordable, reliable and sustainable energy for all.

Promote sustained, economic growth, full and productive employment, and decent work for all.

Build resilient infrastructure, promote sustainable industrialization, and foster innovation.

Reduce inequality within and among countries.

Make cities inclusive, safe, resilient, and sustainable.

Ensure sustainable consumption and production patterns.

Take urgent action to combat climate change and its impacts.

Conserve and sustainably use oceans, seas, and marine resources.

Protect, restore, and promote sustainable use of terrestrial ecosystems and biodiversity.

Promote peaceful and inclusive societies, provide access to justice, and build accountable institutions.

Strengthen global partnerships for sustainable development.

- → 2,927,400 perceived life stress, most days as quite a bit or extremely stressful, up from 2,627,600 in 2021.

Source: Statistics Canada

HOSPITAL CARE

As of July 2024, patients waited on average 2.2 hours at the Mississauga Credit Valley Hospital from checking in at triage or registration to their first assessment by a doctor, nurse-practitioner or dentist in the emergency department. Patients waited on average 1.4 hours at the Mississauga Hospital.

- → Low-Urgency patients (not admitted to Hospital) spent on average 3 hours at both the Credit Valley Hospital and Mississauga Hospital
- → 70% and 75% of patients finished their emergency visit within target time of 4 hours at Credit Valley and Mississauga, respectively.
- → High-Urgency patients (not admitted to Hospital, sent home or another facility), spent on average 5.1 hours at Credit Valley and 4.3 hours at Mississauga.
- → 86% and 92% finished their emergency visit within target time of 8 hours at Credit Valley and Mississauga, respectively.
- → For all patients admitted to Hospital, on average they spent 44.1 hours at Credit Valley Hospital and 20.9 hours at Mississauga Hospital.

Source: Health Quality Ontario

In 2019/2020, **60%** of Peel residents **drank** alcohol at least once in the past 12 months, consistent with 2017/2018 (60%). Significantly lower than **Ontario** (2019/2020, 72%).

In 2019/2020 **9%** of Peel residents were **current smokers (daily/occasional)**, down from 2017/2018 (11%). Significantly lower than **Ontario (2019/2020, 12%)**.

In 2019/2020, **15**% of Peel residents reported using cannabis at least once in the past 12 months, up from 2017/2018 (12%). Significantly lower than in Ontario (2019/2020, 22%).

Source: Peel Region

Support healthy lifestyles and promote mental and physical wellbeing for all.

Promote inclusivity and ensure equal opportunities for all.

Create inclusive, safe, and sustainable cities with access to basic services.

Housing in Mississauga

In 2021, **70.4%** of Mississauga private households were **owners** and **29.6%** were **renters** (68.4% and 31.4% in Ontario, respectively).

HOUSING

In July 2024, Mississauga's **average home price stood at \$1,042,868** a **5.5**% decrease from June and a **1.4**% decline compared to July 2023.

The total number of home sales in Mississauga was 479 a 13% decrease from June and a 3% increase compared to July 2023.

New listings in Mississauga are up 20.3% year-over-year, with 1,478 new home listings during July 2024, bringing Mississauga's sales-to-new-listings ratio (SNLR) to 32%, down from 35% last month.

HOUSING PLAN

In 2023, the City launched **Growing Mississauga**, an action plan to get more housing built and to make it more affordable.

The plan outlines 5 goals and 23 actions the City will take over the next four years. Some plan actions include:

- → 120,000 new units by 2034
- → Building more transit-friendly developments
- → Creating opportunities for new residential housing in employment areas
- → Allowing more housing types like fourplexes and garden suits
- → The plan includes an agreement with the federal government under the Housing Accelerator Fund
 Source: City of Mississauga

RENTING

In July 2024, Mississauga's **median rent** for all bedroom counts and property counts **stood at \$2,624.**

- → 7% increase from June
- → 1% increase compared to July 2023

Source: Zumper

In 2023 for Mississauga, average rent for private townhouses and apartments was \$1,777.

Average rent (bachelor) was \$1,102, for 1 bedroom \$1,627, for 2 bedroom \$1,854

Source: Region of Peel

As of 2021, there are **9,514 unoccupied private dwellings in Mississauga** (3.7%), compared to 438,049 in Ontario (7.4%) and 1,305,294 in Canada (8.0%). **Statistics Canada reports that there are 100,000 short-term rental (STR) units in Canada that could be used for long-term housing.** Furthermore, STR listings increased by 60% from 2017 to 2023, while the number of STR units that could be used as long-term housing grew by more than 80% during that time. While STR's have not caused the housing crisis, they are likely a contributing factor. **Since 2021, Mississauga has issued 1,254 STR licenses which includes both new and renewed licenses and of which 495 are active.** However, there are likely additional STR units in the city that may not meet the criteria requiring a license as indicated by STR availability on sites such as Airbnb and VRBO.

The City also issued a total of 1,252 Notices of Contravention and 366 Administrative Penalty System fines, primarily in relation to STRs operating without a license.

Housing in Mississauga

According to the 2021 Census, 28% of Mississauga owner and tenant households with total household income greater than zero (private dwellings) are spending 30% or more of their income on shelter costs. Compared to 24.2% of those in Ontario and 20.9% in Canada.

Of tenant households in non-farm, non-reserve private dwellings, 12.9% in Mississauga are in subsidized housing, compared to 13.7% in Ontario and 11.7% in Canada.

Source: Statistics Canada

The Region of Peel estimates **74,000** households are in precarious housing situations. Currently, it estimates only 1-in-5 can afford the cost of ownership or renting. With the 2020 reported median income of \$35,600 and average house prices around \$1M, about 200% of take-home pay would be needed to service a mortgage for an average home. For renters, about 100% of median income would go to rental costs at current rates.

HOMELESSNESS IN PEEL

In 2021, **866 individuals were experiencing homelessness in Peel**

- → 38% experiencing chronic homelessness (32% in 2018).
- → 37% individuals in emergency shelters (49% in 2018).
- → **16%** in transitional housing (27% in 2018).
- → 11% experiencing unsheltered homelessness (11% in 2018).
- → **16%** individuals were 16-24 (24% in 2018).
- → **28%** females and **56%** male (34% and 64% in 2018).
- → 1% identified as LGBTQ2IA+

Source: Region of Peel

HOUSING SUPPORTS

In 2023, 33,897 households were supported by Peel Region housing help.

- → 16,497 households call the affordable housing system home
- → 71% of all buildings in the community housing systems are in a good state of repair
- → 1,340 units under development
- → 351 households were placed from Peel's Centralized Waiting List into subsidized community housing units
- → 4,800+ households received one-time financial assistance to prevent homelessness
- → **4,500+** households **received case management help** from a Housing Support Worker

Promote inclusivity and ensure equal opportunities for all.

Create inclusive, safe, and sustainable cities with access to basic services and opportunities for all.

Standard of Living

Standard of Living in Mississauga

In 2020, among Mississaugans ages 15+ the individual median after-tax income was \$35,600 lower than that of Ontario at \$37,200.

Among Mississauga households the median after-tax income was **\$89,000** higher than that of **Ontario at \$79,500**.

Source: Statistics Canada

Prevalence of low income based on the Low-income measure, after tax (LIM-AT) was 9.4 in 2020 for Mississauga. Lower than 10.1 for Ontario and 11.1 in Canada

Low-income rates were higher among those under the age of 17 at 11.9 in Mississauga, 11.5 in Ontario, and 11.9 in Canada. Similar to that of those 65+ at 11.8 in Mississauga, 12.1 in Ontario and 15 in Canada.

Source: Statistics Canada

POVERTY IN PEEL

In 2021, 123,660 (8.6%) of Peel's population lived in poverty, including **27,900 (9.5%) children** 0-17 years.

In 2021, 19.8% of Peel residents were marginally, moderately, or severely food insecure.

Peel Region's 2022 living wage rate was \$23.15/hr.

Source: Region of Peel

FOOD BANKS MISSISSAUGA

In November 2024, the City of Mississauga declared food insecurity a state of emergency. City council passed a motion recognizing that a significant number of residents are lacking access to safe and nutritious food and calls for an increase in the city's Food Security Emergency Response Fund.

From June 2023 to May 2024, Food Banks Mississauga and its agency network served 58% more neighbours than the previous year, almost 200% more than pre-pandemic. The fastest-growing rate of food bank usage in Ontario.

56,267 neighbours (8% of Mississauga's population), or 1 in 13 Mississauga residents, used the food bank in 2023-24. 28% were children.

There were 421,251 food bank visits, and a total of 9,183,447 lbs. of food distributed.

Source: Food Banks Mississauga and CTV

Pop-Up Food Bank

served 13,793 individuals and 1,569 households.

→ Brings free, fresh fruit and vegetables and more to high-priority neighbourhoods, giving them the opportunity to 'shop' for what they need.

Food Bank 2Home

served 753 individuals and 508 households

→ The Delivery Program brings custom food orders directly to homebound neighbours.

The ReclaimFRESH Food **Rescue Program**

helped rescue over 2,530,271 pounds of food.

→ Works with local farmers, producers, and grocery stores to rehome food that would be wasted.

Source: Food Banks Mississauga

Aim to end hunger, achieve food security. and promote sustainable agriculture.

Support job creation and sustain economic growth. full and productive employment, and decent work for all.

Promote inclusivity and ensure equal opportunities for all.

Transportation

Transportation in Mississauga

MISSISSAUGA TRANSPORTATION

454 km total cycling network - The City of Mississauga initiated a project in 2017 to update the 2010 Cycling Master Plan that is now completed. There are **54km of Bicycle lanes**, **88km of boulevard multi-use trails**, **221km of off-road multi-use trails**, and **91km of shared routes**.

3 Major Railway Lines - GO Transit is a regional public transit system serving Mississauga and the Greater Golden Horseshoe Region of Ontario, Canada. They connect the city with the rest of the region. Excluding Toronto's Union Station, **Mississauga generates the most GO Train ridership of any municipality**, with **21,000 passengers per day**. The Square One GO Bus terminal in Mississauga is the busiest bus terminal in the GO Transit network, with more weekday bus departures than any other terminal including Union Station.

MiWay – The municipal public transport agency serving Mississauga. From 2011 to 2016, MiWay ridership grew by more than 15%, serving a population of roughly 766,000 across 179 square km in Mississauga. There are about 500 buses servicing 65 transit routes. Adult and youth single fare cash prices start at \$4.25, senior fares start at \$1. University of Toronto Mississauga students qualify for a U-Pass. The easiest way to pay fare on MiWay is with a PRESTO card, fares start at \$2.65 for youth and \$3.40 for adults.

7 Major Highways – Mississauga is the only city in the Greater Toronto Area (GTA) serviced by seven major highways. As part of the Toronto Region, Mississauga is interconnected by **587km** of major provincial highway networks and five municipal highways.

Toronto Pearson International Airport – The largest airport in Canada. In 2023, passenger activity increased by 25.8% compared to 2022 with nearly 45 million passengers. As of 2021, directly and indirectly supports over 250,000 jobs in Mississauga, compared to an estimated 86,000 jobs for the Region of Peel in 2016.

Source: Invest Mississauga and City of Mississauga and Toronto Pearson

In Mississauga:

- → 61% satisfied with Road Services in 2023 (down from 69% in 2019).
- → 52% cyclists satisfied with roads in 2023 (up from 50% in 2019).
- → 73% find it easy to get around in 2023 (down from 76% in 2019).

Source: City of Mississauga

MODE OF TRANSPORTATION

In 2021, the main mode of commuting for the Mississauga employed labour force with a usual place of work or no fixed workplace address was:

- → 82.7% as a driver or passenger in a car
- → 11.4% using public transportation
- → 2.9% walking
- → 0.3% cycling
- → 2.7% using another method

63% of trips took between 15-44 minutes.

Source: Statistics Canada

TRANSIT SAFETY

According to City of Mississauga statistics, there have been 232 assaults on MiWay buses, from 2018 to the first four months of 2023.

MiWay reported 47 assaults in 2018, 53 in 2019, 37 in 2020, 29 in 2021, 42 in 2022, and 24 in the first four months of 2023.
